

MEHIP RATE PROPOSAL INFORMATION

In order to provide more specific pricing the Comptroller's Office is requesting the following information:

Your two (2) most recent years of claims data: FY 05-06 and FY 06-07 (this information should be based upon incurred in 12 months and paid within 15 months, excel format)

Current data on age, sex and contract size demographics (segmented by employee, employee +1 and family, excel format)

The carriers' latest monthly billing statement showing the current premium rates, as well as the latest bill of the immediately prior rate period.

Current benefit descriptions, identified by sub-groupings, i.e. town and board of education if different or any other subgroup such as a bargaining unit. If any sub-groupings experienced benefit changes during the two years of claim data reported, provide the previous benefit description(s) as well, noting each conversion date.

Proposed renewal rates for FY 08-09 with any changes to benefit design.

Please provide this information to Dr. Thomas Woodruff, Director Retirement and Benefit Services at Thomas.Woodruff@po.state.ct.us. Call 860-702-3481 with questions about this information.
