I. STATEMENT OF OBJECTIVES

In accordance with Section 3-123g of the Connecticut General Statutes, the State of Connecticut, Office of the State Comptroller's (OSC) Vendor Advisory Committee (VAC), will be considering submissions from vendors interested in providing supplemental term life insurance coverage under the Supplemental Benefits Program (Program) to State employees and retirees, the cost of which will be remitted through voluntary payroll deductions. Based upon the Committee's recommendations, the Comptroller intends to authorize the selected applicants to market approved products and services to State employees and retirees under stipulated terms and conditions for a period of four years commencing January 1, 2011 and expiring December 31, 2014. The contract will include a clause that reserves the right to renew the contract for up to an additional one year period at the conclusion of the contract term. This right will be exercised solely at OSC's discretion. The State reserves the right to award in part, to reject any and all proposals in whole or in part, to waive technical defects, irregularities and omissions if, in its judgment, the best interest of the State will be served. All proposals will be kept sealed and safe until the deadline for submission has passed.

II. BACKGROUND

Pursuant to Connecticut General Statutes, Section 5-257, the State offers to employees and retirees basic life insurance under a group life insurance policy. Active employees electing such coverage share the coverage cost; for each \$1,000 of coverage, an employee pays \$0.20 biweekly; the balance of the premium is paid by the State. The cost of retiree life insurance coverage is borne entirely by the State. The Summary Plan Description for the State group life insurance policy is posted on the State Comptroller's Home Page at the following web site: www.osc.state.ct.us/empret/indxhlth.htm

Under the current Program, Fort Dearborn Life Insurance Company (marketed under Dearborn National) markets to State employees a term life insurance policy. Participation in the State's basic group life insurance program is currently a pre-condition for purchasing the term life insurance. Dearborn is also authorized to market a rider which covers accidental death and dismemberment for employees and/or family of the employee.

General information regarding Fort Dearborn's policies and riders may be obtained from the Connecticut State Insurance Department, Life and Health Division.

III. LEVEL OF ACTIVITY

The State of Connecticut currently employs approximately 55,000 State employees of which approximately 50,000 would be eligible for the supplemental life insurance program. As of June 30, 2010 there were 757 active State employees participating in Fort Dearborn's term life insurance policy, remitting \$266,121 annually. Fort Dearborn does not have retiree data available.

**NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
