Please replace this section of the RFP with the language attached.

**REVISED Vendor Proposal and Content Requirements Section:**

**3. VENDOR PROPOSAL AND CONTENT REQUIREMENTS**

**3.1. Overview**

This RFP will result in a single award for a vendor to provide services for the enhancement of the Core-CT PeopleSoft ERP system. This includes, but is not limited to: implementing UConn's human resources and payroll functions into the Core-CT PeopleSoft ERP system and UConn Campus System Enhancements.
