

**CONNECTICUT RETIREMENT SECURITY BOARD
REQUEST FOR PROPOSAL
FOR
LEGAL SERVICES**

The State of Connecticut, Office of the State Comptroller (“the Comptroller”), on behalf of the Connecticut Retirement Security Board (“the Board”), is seeking proposals from one or more law firms to provide certain legal services to the Board. The contract period will commence on or about October 1, 2015 and expire on June 30, 2016.

I. SCOPE OF SERVICE

The Comptroller, on behalf of the Board, pursuant to Connecticut General Statute §31-411, invites proposals from appropriately qualified firms to provide legal counsel and legal services to the Board related to the Board’s mandate to conduct a market feasibility study on the implementation of a public retirement program for private sector employees who do not currently have access to an employer-sponsored plan. The Board is expected to report its findings by January 1, 2016 and to develop a comprehensive proposal for implementation of such program by April 1, 2016. The market feasibility study will include a market analysis, recommend a program design based on the results of such market analysis, and then examine the financial feasibility of the program based on both the market analysis and the recommended program design. The legal services will inform the market feasibility study, the feasibility study report and the implementation plan. The services to be performed by counsel shall consist of the following:

- A. Assist, consult and advise the Board to ensure that the plan is not an employee benefit plan under the federal Employee Retirement Income Security Act of 1974 and, if necessary, request an opinion from the U.S. Department of Labor (“DOL”).
- B. Assist, consult and advise the Board to ensure that the plan accounts meet the requirements for favorable federal income tax treatment ordinarily accorded to Individual Retirement Arrangements and, if necessary, obtain a ruling from the Internal Revenue Service (“IRS”).
- C. Identify and advise on any and all legal issues arising from and related to the market feasibility study and implementation plan proposal, as well as the development of the legal structure of the plan.
- D. Coordinate its work with the Board’s other contractors as appropriate or necessary and respond to the Board’s requests for legal advice as they relate to the market feasibility study and implementation plan proposal.

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

- E. Recommend and assist with legislation or changes to the plan that will ensure or lead to favorable treatment by the DOL and the IRS, and as otherwise may be advisable or required.
- F. Attend monthly Board meetings and other meetings as requested.
- G. In all respects, represent the best interests of the Board and the State of Connecticut.

II. SELECTION CRITERIA

The evaluation committee will evaluate firms on the basis of their written responses to this RFP and possibly oral interviews. Additional written information may be requested by the Board. The goal of the evaluation will be to select the best combination of qualifications, relevant experience and cost. The evaluation committee will also consider the following non-exclusive factors in making the determination:

To be considered, all submissions must contain the following information:

- a. All proposals must address all the requirements listed in the prescribed order in Section IV(D) below;
- b. All information and completed forms attached to this RFP;

 - iii. “**BizNet**”

The Connecticut Department of Administrative Services (“DAS”) requires that all firms seeking to do business with the State create a business profile on the DAS Business Network (“BizNet”) system. Additional required forms as described below must be submitted to or on file with the Biznet system by the deadline for submission of proposals. Paper or electronic copies need not be provided with the submission to the Comptroller's office.

Firms create an account on BizNet by using the following link: <https://www.biznet.ct.gov/AccountMaint/Login.aspx>.

Once your firm creates an account, login and select “CT Procurement” and then “Company Information” for access. If you experience difficulty

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

establishing or otherwise managing your firm's account, please call DAS at 860-713-5095.

DAS has implemented the requirement to create a BizNet account to make doing business with the State of Connecticut more business friendly.

One benefit to using BizNet is that it eliminates certain redundancies, such as the former requirement to complete and submit forms even though the forms had been recently submitted in response to another Request for Proposals.

In addition to eliminating redundancy, BizNet has automated the completion and submission of required Ethics Affidavits and Non Discrimination forms. Firms must now upload these forms electronically to their BizNet account and update them on an annual basis, rather than submitting paper copies with each proposal. Firms will have the ability to view, verify and update their information, by logging in to their BizNet account, prior to submitting responses to an RFP.

For information about how to upload the Ethics Affidavits and Non-Discrimination forms please access the following page:

<http://das.ct.gov/images/1090/Upload%20Instructions.pdf>

- v. Explicitly represent that no elected or appointed official or employee of the State of Connecticut had benefited or will benefit financially or materially from any contract or agreement executed in connection with this RFP. Any contract or agreement executed in connection with this RFP may be terminated by the Board if it is determined that gratuities of any kind were either offered to, or received by, any state officials or employees from the firm, the law firm's agent(s), representative(s) or employee(s). Such action on the part of the Board shall not constitute a breach of contract on the part of the Board.
- c. Table of Contents
- The Table of Contents should reference all materials required by this RFP and any additional information or material the Vendor wishes to supply.
- d. Executive Summary

- g. If you find any terms or provisions of the proposed draft contract in the Appendix unacceptable, identify the term, explain why it is unacceptable, and state whether failure to modify this term would result in the firm's failure to execute a contract in this matter.
- h. Discuss any pending complaints or investigations, or any made or concluded within the past five years, to or by any regulatory body or court regarding the conduct of your firm or its predecessors, or any of its present or former members, employees or associates.

- k. Provide the name of your malpractice insurance carrier, the maximum amount of your coverage, and the deductible amount.

E. Conformity and Completeness of Proposals

To be considered acceptable, proposals must be complete and conform to all material RFP instructions and conditions. The Attorney General's Office, in its sole discretion, may reject in whole or in part any proposal if in its judgment the best interests of the State will be served.

F. Stability of Proposed Fees

Any fee proposals must be valid for the entire duration of the Contract. The total cost of this contract or these contracts will not exceed two hundred and fifty thousand dollars (\$250,000).

V. AMENDMENT OR CANCELLATION OF THIS RFP

The Board reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems it to be in the best interest of the State to do so.

VI. PRESENTATION OF SUPPORTING EVIDENCE

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

Proposers must be prepared to provide evidence of experience, performance, ability, financial resources or other items as the Board deems to be necessary or appropriate concerning the performance capabilities represented in their proposals.

VII. MISREPRESENTATION OR DEFAULT

The Board may reject the proposal and void any award resulting from this RFP to a firm which makes any material misrepresentation in its proposal or other submittal in connection with this RFP.

VIII. ERRORS

The Board reserves the right to correct clerical or administrative errors that may be made during the evaluation of proposals or during the negotiation of the contract and to change the contract award accordingly. In addition, the Board reserves the right to re-evaluate proposals and the award of the contract in light of information either not previously known or otherwise not properly having been taken into account prior to contract award. In any case, this may include, in extreme circumstances, revoking the awarding of the contract already made to a firm and subsequently awarding the contract to another firm. Such action on the part of the Board shall not constitute a breach of contract on the part of the Board since the contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the Board and such firm. The Board may waive minor irregularities found in proposals or allow the proposer to correct them, depending on which is in the best interest of the State. “Minor irregularities” means typographical errors, informalities that are matters of form rather than substance and evident from the proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other proposers, as determined in the discretion of the Board.

IX. OWNERSHIP OF PROPOSALS

All proposals shall become the sole property of the State and will not be returned.

X. EXECUTION OF CONTRACT AND RELATED REQUIREMENTS

A. This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals are solicited. Once the evaluation of the proposals is complete and a firm is selected, the selected proposal and this RFP may then serve as the basis for a contract that will be negotiated and executed between the Board, and the selected firm. If the Board and the initial selected firm fail to reach agreement on all issues relative to the contract within a time determined solely by the Board, then the Board may commence and conclude contract negotiations with other proposers. The Board may decide at any time to start this RFP process again.

B. Conn. Gen. Stat. § 4-252 requires that this RFP include a notice of the certification requirements described in this statute. Accordingly, pursuant to this statute, firms are notified as follows:

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

1. The terms "gift," "quasi-public agency," "state agency," "large state contract," "principals and key personnel" and "participated substantially" as used in this section shall have the meanings set forth in this statute.

2. No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this section. Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement.

3. The official of the person, firm or corporation awarded the contract, who is authorized to execute the contract, shall certify on such forms as the State shall provide:

a) That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, lease or licensing arrangement covered by the contract and the date of execution of the contract, by:

(1) such person, firm, corporation;

(2) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the bid or proposal or the negotiation of the contract; or

(3) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to:

(a) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract; or

(b) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;

b) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and

c) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

4. Any bidder or proposer that does not make the certifications required under this section shall be disqualified and the state agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

C. Section 4a-81 of the Connecticut General Statutes requires that this RFP include a notice of the consulting affidavit requirements described in the statute. Accordingly, pursuant to the statute, vendors are notified as follows:

1. No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (ii) of this section.

2. The chief official of the vendor awarded a contract described in this section or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (1) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (2) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (3) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted.

3. Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the penalties of false statement.

4. Such affidavit shall include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated.

5. The Office of Policy and Management ("OPM") has provided OPM Ethics Form 5 to satisfy the requirements of this statute. Accordingly, the firm must deliver this Form 5, available through BizNet as described in this section (C),

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

together with its proposal and then deliver an updated Form 5 dated the date that the firm executes the contract. Such affidavit shall be amended whenever the vendor awarded the contract enters into any new consulting agreement during the term of the contract.

6. If a vendor refuses to submit the affidavit required under this section, then the Board shall not award the contract to such vendor and shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

7. This section is set forth here only for purposes of providing notice of the requirements of Section 4a-81 of the Connecticut General Statutes. Accordingly, it is neither intended nor should it be interpreted nor relied upon to be a complete and full reiteration of the Act's contents. Any interpretation or understanding of Section 4a-81 of the Connecticut General Statutes requirements or content by any party must come only from reading the full text of Section 4a-81 of the Connecticut General Statutes itself.

D. Pursuant to Governor M. Jodi Rell's Executive Order No. 1, paragraph 8, and Governor M. Jodi Rell's Executive Order No. 7C, paragraph 10(a), contractors executing state contracts with a value to the State of \$50,000 or more in a calendar or fiscal year shall execute a Gift and Campaign Contribution Certification (OPM Ethics Form 1) contemporaneously with the contract certifying that between the planning and start date and the execution date, neither the contract signatory nor extensively and substantially in the preparation of the proposal or in the negotiation of the contract gave a contribution to candidates for statewide public office or the General Assembly. The firm must execute the Contract and this Form 1 through the BizNet system as explained in Section III, above, and update the form at least annually. Contractors are then required to submit a contract certification annually to update previously submitted certification forms for state contracts. Contractors must use the Gift and Campaign (OPM Ethics Form 1) for this purpose.

E. Pursuant to Connecticut General Statutes §§ 4a-60(a)(1) and 4a-60a(a)(1), as amended by Public Act 07-245 and Sections 9 and 10 of Public Act 07-142, every contractor is required to provide the State with documentation in the form of a company or corporate policy adopted by resolution of the board of directors, shareholders, managers, members or other governing body of such contractor to support the contractor's nondiscrimination agreements and warranties which are included in such contractor's contract pursuant to said statutes. The applicable certification form must be completed and submitted through the BizNet system, as explained in Section IV(C), above, and updated at least annually.

XI. ORAL AGREEMENT OR ARRANGEMENTS

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

Any alleged oral agreements or arrangements made by firms with the Board will be disregarded in any proposal evaluation or associated award.

XII. SUBLETTING OR ASSIGNING OF CONTRACT

The contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned or otherwise disposed of to any person or entity without the prior written consent of the Board. No person or entity, other than the firm to which the contract was awarded, is permitted to perform work without the prior written approval of the Board.

XIII. FREEDOM OF INFORMATION ACT AND CONFIDENTIAL INFORMATION

A. All proposals submitted in response to this RFP are to be the sole property of the Board, subject to the terms of the Connecticut Freedom of Information Act (FOIA) and its corresponding rules, regulations, and interpretations. Those particular sentences, paragraphs, pages, or sections that the proposer believes are proprietary or confidential in nature, and therefore exempt from disclosure under the FOIA, must be specifically identified as such. If the Proposer indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as CONFIDENTIAL, the Board will endeavor to keep said information confidential to the extent permitted by law. The Board, however, has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The proposer will have the burden of establishing the FOIA exemption in any proceeding where it is an issue. In no event will the Board or the State have any liability for the disclosure of any documents in its possession which the Comptroller believes are required to be disclosed pursuant to the FOIA or other requirements of law.

B. The Board expects that a proposer will in good faith mark only sentences, paragraphs, sections, or pages that qualify as proprietary or confidential under the FOIA. Without waiving the proposal due date and time noted in Section IV(B) of this RFP, the Board reserves the right to return any proposals having the majority of their pages marked as confidential or proprietary back to the proposer for compliance with this section.

C. With regard to the above Paragraph referring to the Freedom of Information Act and Confidential Information, the proposer will submit two (2) copies of a CD of its entire proposal (including all attachments) in a PDF format with: (1) all confidential and proprietary information redacted; (2) a description of those particular sentences, paragraphs, pages or sections that the Proposer believes are exempt from disclosure under the FOIA; and (3) an explanation and rationale sufficient to justify each exemption. The Division will submit a copy of the CD containing the redacted proposal as necessary in response to any relevant FOIA request it receives with regard to this RFP. Failure to provide such a CD will signify the Proposer's agreement with the disclosure of all submitted information relative to a FOIA request.

XIV. AFFIRMATIVE ACTION

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations, codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes. According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to consider certain factors when reviewing the Proposer's qualifications under the contract compliance requirements. By submitting a bid, the Proposer is acknowledging that it has reviewed the applicable statutes and regulations as noted above and is aware of the factors that will be considered by the Board in this area. More information about the State of Connecticut's Contract Compliance requirements is available on the Commission on Human Rights and Opportunities' web site at www.state.ct.us/chro under "Contract Compliance." The Proposer must complete and submit the CHRO's Workforce Analysis Affirmative Action Report-State Proposers form (attached) with the proposal.

XV. CONFORMANCE WITH FEDERAL, STATE AND OTHER REQUIREMENTS

In the contract, the firm will represent and warrant that, at all pertinent and relevant times to the contract, it has been, is and will continue to be in full compliance with all Federal, State, municipal or other governmental department, commission, board, bureau, agency or instrumentality, codes, statutes, acts, ordinances, judgments, decrees, injunctions and regulations.

XVI. EXECUTIVE ORDERS

The Contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, the provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, and the provisions of Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999. The contract may also be subject to Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, concerning contracting reforms, in accordance with its terms and conditions.

XVII. AMERICANS WITH DISABILITIES ACT

The firm shall comply with the Americans with Disabilities Act and any other applicable federal laws and regulations.

XVIII. CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

CONNECTICUT RETIREMENT SECURITY BOARD – REQUEST FOR PROPOSAL

Stat. § 9-612, having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the proposal in response to this RFP expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising prospective state contractors of state campaign contribution and solicitation prohibitions as found at http://www.ct.gov/seec/lib/seec/forms/contractor_reporting/seec_form_10_final.pdf as it may be revised from time to time as noted on the website of the Connecticut State Election Enforcement Committee found at <http://www.ct.gov/seec/site/default.asp> and will inform its principals of the contents of the notice.

Neither Party may

withhold the Proprietary Information of the other Party or refuse for any reason (including due to the other Party's actual or alleged breach of this Agreement) to promptly return to the other Party its Proprietary Information (including copies thereof) if requested to do so. Upon expiration or termination of this Agreement and completion of a Party's obligations under this Agreement, each Party will, at the request of the other Party, (and except as otherwise provided in this Agreement) return or destroy, as the other Party may direct, all documentation in any medium that contains or refers to the other Party's Proprietary Information, and retain no copies. Subject to the foregoing confidentiality obligations, either Party may retain copies of the Proprietary Information of the other Party to the extent required for (i) in the case of Accenture, compliance with applicable professional standards or quality assurance purposes and (ii) in the case of the COMPTROLLER, as required to give effect to any licensing rights of Accenture Intellectual Property as set forth herein.

E. Proprietary Information shall not include information which:

- (i) is or becomes a part of the public domain through no act or omission of the receiving Party;
- (ii) was in the receiving Party's lawful possession prior to the disclosure and had not been obtained by the receiving Party either directly or indirectly from the disclosing Party;
- (iii) is (to the receiving Party's knowledge) lawfully disclosed by a third party without restriction on disclosure;
- (iv) is independently developed by the receiving Party;
- (v) is disclosed by operation of law, or is required to be disclosed by law, rule or regulation, subpoena, summons, or order of a court of competent jurisdiction, or by a regulatory oversight agency, pursuant to the following: if the receiving Party receives a subpoena or other validly issued administrative or judicial process requesting Proprietary Information of the disclosing Party, it will promptly notify the disclosing Party of such receipt and tender to the disclosing Party the defense of such subpoena or process. If requested by the disclosing party, the receiving Party will reasonably cooperate (at the expense of the disclosing Party) in opposing such subpoena or process. Unless the subpoena or process is timely limited, quashed or extended, the receiving Party will then be entitled to comply with such request to the extent permitted by law; or,
- (vi) is Personal Data, which is separately defined and addressed in Section 51 below and other provisions of this Agreement generally applicable to Proprietary Information shall not be deemed to apply to include Personal Data.

F. Nothing contained in this Section will be construed as obligating a Party to disclose its Proprietary Information to the other Party, or as granting to or conferring on a Party,

expressly or impliedly, any rights or license to the Proprietary Information of the other Party.

38. FREEDOM OF INFORMATION.

The Comptroller will afford due regard to the Contractor's request for the protection of proprietary or confidential information which the Comptroller receives. However, all materials associated with the Agreement are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. If a FOIA request is made for materials or information that is Proprietary Information Comptroller will provide the Contractor with an opportunity to provide a written rationale in accordance with FOIA as to why the requested information should not be furnished pursuant to FOIA. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the vendor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. Comptroller agrees to furnish only that portion of the Proprietary Information that Comptroller is legally required to furnish. To the extent that any other provision or part of the Agreement, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as "**CONFIDENTIAL,**" the Comptroller will endeavor to keep said information confidential to the extent permitted by law. The Comptroller, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Comptroller or the State have any liability for the disclosure of any documents or information in its possession which the Comptroller reasonably believes are required to be disclosed pursuant to the FOIA or other requirements of law.

39. PERSONAL DATA.

- A. Each Party will exercise commercially reasonable efforts not to disclose any Personal Data to the other Party and to restrict the other Party's access to its Personal Data, but if a Party is given access to the other Party's Personal Data, the receiving Party will protect such Personal Data using a reasonable standard of care. If Contractor requires access to Personal Data in connection with this Agreement or any amendments thereto, the Comptroller shall expressly identify the type of files and data which shall comprise Personal Data and which shall be accessed and/or processed by Contractor under this Agreement, and the means and circumstances by which it will be accessed or processed.

The Comptroller shall use commercially reasonable efforts to restrict Contractor's access to Personal Data to that described in this Agreement. In addition to the restrictions on use of Personal Data expressly provided for herein, the State and Comptroller alone will determine the purposes for which and the manner in which all Personal Data processed by Contractor will be processed under any applicable data privacy laws and regulations in connection with this Agreement.

- B. Contractor is a data processor on behalf of the State under this Agreement. In that capacity, Contractor will:
- (i) process State Personal Data only on written instructions of the State and to the extent reasonably necessary for the performance of this Agreement;
 - (ii) not disclose State Personal Data to any person except as required or permitted by this Agreement or with the State's prior written consent; and
 - (iii) implement commercially reasonable technical and organizational measures, including any additional measures specified by the State in advance and in writing, to protect State Personal Data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, and against all other unlawful forms of processing. The State will be responsible for the sufficiency of such policies and safeguards. However, to the extent such additional technical and organizational measures have not been established by the State, Contractor will maintain safeguards no less rigorous than those maintained by Contractor for its own similar personal data.
- C. Contractor may retain archival copies of State Personal Data, upon approval by the Comptroller, to the extent reasonably necessary to verify Contractor's compliance with this Agreement. Contractor will identify such data to the Comptroller at the time such archival copies are established.
- D. Contractor may, as a result of this Agreement and its dealings with the Comptroller, come to possess Personal Data in relation to the Comptroller and the Comptroller's employees, directors, officers and other representatives. Contractor may receive such data from such persons, the Comptroller, or from other sources (for example, published or publicly available directories); and some limited data may be recorded indirectly by internal security and communication systems or by other means (for example, visitor logs maintained by security officials at Contractor's offices). Subject to compliance with the applicable data protection and data privacy legislation, Contractor may use and disclose such data for purposes connected with this Agreement and for the relevant purposes specified in the Accenture Data Privacy Policy (a copy of which is available on request) provided such policy is in compliance with applicable data privacy laws and the scope of such processing is directly related to the provision of services to the State or Accenture's dealings with the State or Accenture's internal business purposes. In particular, Accenture may for these purposes transfer such data to other Accenture entities around the world in compliance with the applicable data protection and data privacy legislation.

40. INTERPRETATION.

The Agreement contains numerous references to statutes and regulations. For purposes of interpretation, conflict resolution and otherwise, the content of those statutes and regulations shall govern over the content of the reference in the Agreement to those statutes and regulations.

41. CONFIDENTIAL INFORMATION; PROTECTION; BREACH.

- A. **“Confidential Information”** shall mean any name, number or other information that may be used, alone or in conjunction with any other information, to identify a specific individual including, but not limited to, such individual's name, date of birth, mother's maiden name, motor vehicle operator's license number, Social Security number, employee identification number, employer or taxpayer identification number, alien registration number, government passport number, health insurance identification number, demand deposit account number, savings account number, credit card number, debit card number or unique biometric data such as fingerprint, voice print, retina or iris image, or other unique physical representation. Without limiting the foregoing, Confidential Information shall also include any information that the Board classifies as “confidential” or “restricted.” Confidential Information shall not include information that may be lawfully obtained from publicly available sources or from federal, state, or local government records which are lawfully made available to the general public.
- B. **“Confidential Information Breach”** shall mean an instance where an unauthorized person or entity accesses Confidential Information in any manner, including but not limited to the following occurrences: (1) any Confidential Information that is not encrypted or protected is misplaced, lost, stolen or in any way compromised; (2) one or more third parties have had access to or taken control or possession of any Confidential Information that is not encrypted or protected without prior written authorization from the State; (3) the unauthorized acquisition of encrypted or protected Confidential Information together with the confidential process or key that is capable of compromising the integrity of the Confidential Information; or (4) if there is a substantial risk of identity theft or fraud to the client, the Contractor, the Board or State.
- C. Contractor and Contractor Parties, at their own expense, have a duty to and shall protect from a Confidential Information Breach any and all Confidential Information which they come to possess or control, wherever and however stored or maintained, in a commercially reasonable manner in accordance with current industry standards.
- D. Each Contractor or Contractor Party shall implement and maintain a comprehensive data security program for the protection of Confidential Information. The safeguards contained in such program shall be consistent with and comply with the safeguards for protection of Confidential Information, and information of a similar character, as set forth

in all applicable federal and state law and written policy of the Board or State concerning the confidentiality of Confidential Information. Such data-security program shall include, but not be limited to, the following:

- (i) A security policy for employees related to the storage, access and transportation of data containing Confidential Information;
 - (ii) Reasonable restrictions on access to records containing Confidential Information, including access to any locked storage where such records are kept;
 - (iii) A process for reviewing policies and security measures at least annually;
 - (iv) Creating secure access controls to Confidential Information, including but not limited to passwords; and
 - (v) Encrypting of Confidential Information that is stored on laptops, portable devices or being transmitted electronically.
- E. The Contractor and Contractor Parties shall notify the Department and the Connecticut Office of the Attorney General as soon as practical, but no later than twenty-four (24) hours, after they become aware of or suspect that any Confidential Information which Contractor or Contractor Parties possess or control has been subject to a Confidential Information Breach.
- F. If a Confidential Information Breach has occurred, the Contractor shall, within three (3) business days after the notification, present a credit monitoring and protection plan to the Connecticut Commissioner of Administrative Services, the Board and the Connecticut Office of the Attorney General, for review and approval.
- (i) Such credit monitoring or protection plan shall be made available by the Contractor at its own cost and expense to all individuals affected by the Confidential Information Breach.
 - (ii) Such credit monitoring or protection plan shall include, but is not limited to reimbursement for the cost of placing and lifting one (1) security freeze per credit file pursuant to Connecticut General Statutes § 36a-701a.
 - (iii) Such credit monitoring or protection plans shall be approved by the State in accordance with this Section and shall cover a length of time commensurate with the circumstances of the Confidential Information Breach.
- G. The Contractors' costs and expenses for the credit monitoring and protection plan shall not be recoverable from the Board, any State of Connecticut entity or any affected individuals.

H. The Contractor shall incorporate the requirements of this Section in all subcontracts requiring each Contractor Party to safeguard Confidential Information in the same manner as provided for in this Section.

42. SOVEREIGN IMMUNITY.

The Parties acknowledge and agree that nothing in the RFP or the Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this section conflicts with any other section, this section shall govern.

43. NON-SOLICITATION.

Contractor and the Comptroller agree that neither Party shall directly or indirectly solicit for employment any employee of the other Party. This clause shall remain in effect during the term of this Agreement and for a period of one year after the Term of this Agreement, unless prior written consent of the other Party is first obtained. Notwithstanding the foregoing, this Section will not apply to employees who independently respond to indirect solicitations (i.e., general newspaper advertisements and internet postings).

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exempt payee code.

- Generally, individuals (including sole proprietors) are not exempt from backup withholding.
- Except as provided below, corporations are exempt from backup withholding for certain payments, including interest and dividends.
- Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.
- Corporations are not exempt from backup withholding with respect to attorneys' fees or gross proceeds paid to attorneys, and corporations that provide medical or health care services are not exempt with respect to payments reportable on Form 1099-MISC.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space in line 4.

1—An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2)

11—A financial institution

12—A middleman known in the investment community as a nominee or custodian

13—A trust exempt from tax under section 664 or described in section 4947

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 13.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 7
Broker transactions	Exempt payees 1 through 4 and 6 through 11 and all C corporations. S corporations must not enter an exempt payee code because they are exempt only for sales of noncovered securities acquired prior to 2012.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 4
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 5 ²
Payments made in settlement of payment card or third party network transactions	Exempt payees 1 through 4

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(i)

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

H—A regulated investment company as defined in section 851 or an entity registered at all times during the tax year under the Investment Company Act of 1940

I—A common trust fund as defined in section 584(a)

J—A bank as defined in section 581

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Guide for Current or Potential State Contractors

THE OFFICE OF STATE ETHICS (OSE)

The Connecticut Office of State Ethics (OSE) was officially created on July 1, 2005, by Public Act 05-183. The governing body of the OSE is the Citizen's Ethics Advisory Board (CEAB), nine members appointed by the Governor and legislative leadership. The CEAB holds monthly meetings that are open to the public and that are often covered by CT-N. A schedule of CEAB meeting dates, times and locations is available on the OSE's Web site, www.ct.gov/ethics.

The OSE is an independent watchdog agency for the state of Connecticut that administers Connecticut General Statutes, Chapter 10, Parts I and II, with limited jurisdiction over Part IV.

Simply put, the OSE educates all those covered by the law (the "regulated community"); provides information to the public; interprets and applies the codes of ethics; and investigates potential violations, and otherwise enforces the codes.

The OSE is made up of the following components:

- Citizen's Ethics Advisory Board
- Executive Director
- Legal Division
- Enforcement Division

THE BIG PICTURE

All state officials and employees (except judges) are covered by Part I of the Code of Ethics for Public Officials (henceforth, Part I, or the Code). It is important to remember that certain provisions of the Code also apply to public officials and state employees after they leave state service.

As you read through this guide, be aware that these laws were enacted to prevent individuals from using their public position or authority for personal, financial benefit.

Each state agency also has its own ethics policy, which in many cases may be more restrictive than what follows. Be sure to obtain a copy of the agency's policy before you attempt to provide any benefit to an agency official or employee.

Guide for Current or Potential State Contractors

GIVING BENEFITS TO STATE PERSONNEL

Gifts

As a current or potential state contractor, you are presumably doing business with or seeking to do business with a state agency, and are therefore considered to be a **restricted donor**. In general, public officials, state employees and candidates for public office may not accept gifts from restricted donors.

Restricted Donors

Restricted donors include:

- Registered lobbyists (a list is available on the OSE's Web site) or a lobbyist's representative;
- Individuals or groups doing business with a state department or agency;
- Individuals or groups seeking to do business with a state department or agency;
- Individuals or groups engaged in activities regulated by a state department or agency; or
- Contractors pre-qualified by the Connecticut Department of Administrative Services (Conn. Gen. Stat. § 4a-100).

A **gift** is defined as anything of value that is directly and personally received by a public official or state employee (or sometimes family members of those two categories) *unless* consideration of equal or greater value is provided. Conn. Gen. Stat. § 1-79 (e).

Gift Exceptions

There are, however, certain exceptions to this definition of gift. Not all exceptions are covered below; see Conn. Gen. Stat. § 1-79 (e) (1) – (17) for the complete list.

- *Token Items* – Restricted donors such as current or potential state contractors may provide any item of value that is not more than \$10 (such as a pen, mug, or inexpensive baseball cap) to a public official or state employee, provided that the annual aggregate of such items from a single source is \$50 or less. Conn. Gen. Stat. § 1-79 (e) (16).
- *Food and Beverage* – Restricted donors may also provide less than \$50 worth of food and beverage in a calendar year to a public official or state employee, provided that the restricted donor or his/her representative is in attendance when the food and/or beverage is being consumed. Conn. Gen. Stat. § 1-79 (e) (9).
- *Training* – Vendors may provide public officials and state employees with training for a product purchased by a state or quasi-public agency provided such training is offered to all customers of that vendor. Conn. Gen. Stat. § 1-79 (e) (17).

Guide for Current or Potential State Contractors

- *Gifts to the State* – Restricted donors may provide what are typically referred to as “gifts to the state.” These gifts are goods and services provided to a state agency or quasi-public agency for use on state or quasi-public agency property or that support an event, and which facilitate state or quasi-public action or functions. Conn. Gen. Stat. § 1-79 (e) (5).
- *Other Exceptions* – There are a total of 17 separate gift exceptions in the Code. Also exempt from the definition of gift are items such as informational materials germane to state action, ceremonial plaques or awards costing less than \$100, or promotional items, rebates or discounts also available to the general public. See Conn. Gen. Stat. § 1-79 (e) (1) – (17).

Note: The popularly-cited exception for major life events does not apply to those who are regulated by, doing business with or seeking to do business with a state agency. The only restricted donor that can make use of this very narrow exception is a registered lobbyist.

Gift Provisions

Example: You are in the process of submitting a contracting bid to a state agency. You provide the agency head with a gift certificate for \$45 to a popular West Hartford eatery for her to use on her own. You have not previously given anything of value to this individual. Even though you are under the permissible \$49.99 food and beverage limit, this gift is not allowed because you or your representative will not be in attendance while the food and beverage is being consumed.

Reporting Requirements

Should you or your representative give something of \$10 or more in value to a public official or state employee, you must, within **10 days**, give the gift recipient and the head of that individual’s department or agency a written report stating:

- Name of the donor;
- Description of item(s) given;
- Value of such item(s); and
- Total cumulative value of all items to date given to that recipient during the calendar year.

This helps both you and the state employee keep track of the gift exceptions noted above, so that permissible limits are not exceeded. Conn. Gen. Stat. § 1-84 (o). A courtesy form is available for this notification on the OSE’s Web site, in the “Forms” section.

Guide for Current or Potential State Contractors

Necessary Expenses

You may provide necessary expenses to a public official or state employee **only** if the official or employee, in his/her official capacity, is actively participating in an event by giving a speech or presentation, running a workshop, or having some other active involvement.

Necessary expenses are limited to:

- Travel (coach or economy class);
- Lodging (standard cost of room for the nights before, of, and immediately following the event);
- Meals; and
- Related conference expenses.

Conn. Gen. Stat. § 1-79 (9).

Entertainment costs (tickets to sporting events, golf outings, night clubs, etc.) are **not** necessary expenses. Necessary expense payments also **do not** include payment of expenses for family members or other guests.

Fees/Honorariums

Public officials and state employees may **not** accept fees or honorariums for an article, appearance, speech or participation at an event in their official capacity.

Fees or honorariums for such activities, if offered based solely on expertise and without any regard to official capacity, may be acceptable. Contact the OSE before offering such payment to an official or employee. Conn. Gen. Stat. § 1-84 (k).

Necessary Expenses, Fees and Honorariums

Example: You invite a state employee to travel to New York City to give a speech to your managers on issues surrounding contracting with a state agency. You provide Amtrak fare for the employee as well as his spouse, who will spend the day in the city. The evening of the speech, you will treat the employee and his spouse with complimentary tickets to a Broadway show in lieu of a speaking fee. You may provide coach class travel expenses only to the state employee who is actively participating in an event. In this case, you may only provide Amtrak fare for the employee giving the speech, not his spouse. Entertainment costs, such as tickets to a show, are not considered necessary expenses and may not be provided. Additionally, state employees may not accept fees or honorariums for a speech given in their official capacity.

HIRING STATE PERSONNEL

Post-state Employment (Revolving Door)

If you are considering hiring a *former* state employee, you should be aware of the Code's post-state employment, or revolving door, provisions.

Lifetime Bans

- Former state employees may **never** disclose any confidential information they learned during the course of their state service for anyone's financial gain. Conn. Gen. Stat. § 1-84a.
- A former state official or employee may **never** represent anyone other than the state regarding a particular matter in which he or she was personally or substantially involved while in state service and in which the state has a substantial interest. This prevents side switching. Conn. Gen. Stat. § 1-84b (a).

One-year Bans

- If you hire or otherwise engage the services of a former state official or employee, he or she may not represent you before his or her former agency for a period of **one year** after leaving state service. Conn. Gen. Stat. § 1-84b (b). (See Advisory Opinion 2003-3, which provides a limited exception to this provision if the employee is providing purely technical expertise to help implement a previously-awarded contract. This exception applies to extremely limited circumstances; contact the OSE for guidance.)
- You are prohibited from hiring a former state official or employee for a period of **one year** after he or she leaves state service if that individual was substantially involved in, or supervised, the negotiation or award of a contract (that you or your business was a party to) valued at \$50,000 or more, and the contract was signed within his or her last year of state service. Conn. Gen. Stat. § 1-84b (f).
- Employees who held certain specifically-designated positions (with significant decision-making or supervisory responsibility) at certain state regulatory agencies are prohibited from seeking or accepting employment with any business subject to regulation by the individual's agency within **one year** of leaving the agency. Likewise, such businesses may not hire those employees. Note that there is an exception for *ex-officio* board or commission members. Conn. Gen. Stat. § 1-84b (c).

Post-state Employment

Example: You run a hospital regulated by the Office of Health Care Access (OHCA). You would like to offer a job to the former Commissioner of OHCA, who has been out of state service for 5 months. Because the hospital is regulated by a state agency whose Commissioner is specifically designated in 1-84b (c), the former head of such agency would not be permitted to accept employment with you for one full year after leaving state service. See Advisory Opinion 2003-19.

Guide for Current or Potential State Contractors

Outside Employment for Current Public Officials and State Employees

If you are considering hiring a *current* state employee, especially from a state agency with which you do business or by which you are regulated, you should be aware of the following rules regarding the employment of current state employees.

- A current state employee may not accept outside employment that impairs his or her independence of judgment regarding his or her state duties, or that encourages him or her to disclose confidential information learned in his or her state job. Conn. Gen. Stat. § 1-84 (b).
- A current state employee may not use his or her state position for his or her own financial gain or the gain of his or her family (spouse, child, child's spouse, parent, brother or sister) or an associated business, however inadvertent that use may be. Conn. Gen. Stat. § 1-84 (c).

Other Considerations

Business entities engaged in Indian gaming activities in the state should be aware of specific provisions that apply to present or former Gaming Policy Board or Division of Special Revenue public officials or employees. See Conn. Gen. Stat. §§ 1-84b (d) and (e).

Outside Employment

Example: Your small business occasionally receives grants or contracts from Agency X. You know that a particular contract manager with Agency X has the skills you need to help you grow your business. This employee has expressed interest in earning a little extra money for himself, while helping you with your business in the evenings and on weekends. It would constitute an impermissible impairment of judgment for the employee of Agency X, who has contract management responsibilities, to accept outside employment with your business – a business that receives grants or contracts from Agency X.

Guide for Current or Potential State Contractors

OTHER PROVISIONS

Prohibited Activities for Consultants or Independent Contractors

If you are hired by the state as a consultant or independent contractor, you are prohibited from the following:

- Using your authority under the contract or any confidential information acquired during the course of the contract for your financial gain or the financial gain of your immediate family;
- Accepting another state contract that would impair your independence of judgment or your performance in your existing state contract; and
- Accepting anything of value based on the understanding that your actions on behalf of the state would be influenced.

Conn. Gen. Stat. § 1-86e (1) – (3); see also Conn. Gen. Stat. § 1-101nn.

Gift and/or Campaign Contribution Certifications

Contractors seeking large state contracts must provide certifications regarding gifts and/or campaign contributions made to certain state employees or public officials in the two-year period prior to the submission of a bid or proposal. Copies of these certifications and other updated information regarding state contractors can be found on the Web sites of the Department of Administrative Services (www.das.state.ct.us) and the Office of Policy and Management (www.opm.state.ct.us).

Investment Services and the Office of the Treasurer

If you or your business provides investment services, as defined in the Code, and you make a political contribution to the State Treasurer's campaign, you may be prohibited from contracting with the Office of the Treasurer. See Conn. Gen. Stat. § 1-84 (n).

Registering as a Lobbyist

If you or your business spends or receives over \$2,000 in a calendar year for activities that constitute lobbying under Part II of the Code of Ethics (whether to affect legislation or the actions of an administrative state agency), you/your business may have to register as a lobbyist with the Office of State Ethics. Lobbyist registration information is available at www.ct.gov/ethics.

Contribution Ban for Communicator Lobbyists (Conn. Gen. Stat. § 9-610 (g) and (h).)

Registered communicator lobbyists, their affiliated political action committees (PACs), as well as members of their immediate families are banned from soliciting or donating political campaign contributions. Please contact the State Elections Enforcement Commission at 860-256-2940 for more information.

Guide for Current or Potential State Contractors

Sessional Contribution Ban for Client Lobbyists (Conn. Gen. Stat. § 9-610 (e).)

Registered lobbyists and their affiliated political action committees (PACs) are banned from soliciting or donating political campaign contributions. Specifically, there is a temporary ban while the General Assembly is in session that applies to all registered client lobbyists and their affiliated PACs. Please contact the State Elections Enforcement Commission at 860-256-2940 for more information.

Public Act 05-287

Public Act 05-287 prohibits anyone who is a party (or seeking to become a party) to a large state construction, procurement, or consultant services contract over \$500,000 from:

- Soliciting information from a public official or state employee that is not available to other bidders for that contract, with the intent to obtain a competitive advantage;
- Intentionally or recklessly charging a state agency for work not performed or goods or services not provided;
- Falsifying invoices or bills; or
- Intentionally violating or circumventing state competitive bidding and ethics laws.

This Act also requires any prospective state contractor to affirm in writing that he or she has received a summary of the state's ethics laws and that his or her key employees have read and understood the summary and agree to comply with the applicable provisions. Conn. Gen. Stat. § 1-101qq.

An affirmation form is available through the Connecticut Office of Policy and Management.

COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

**COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES
CONTRACT COMPLIANCE REGULATIONS
NOTIFICATION TO BIDDERS**

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on page 2):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The state will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
