

***REQUEST FOR PROPOSAL (RFP) FOR ACCOUNTING SERVICES TO
COMPLETE GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB)
STATEMENT NO. 68 COMPLIANCE AUDIT
STATE EMPLOYEES RETIREMENT COMMISSION AND THE OFFICE OF THE
STATE COMPTROLLER***

February 23, 2015

I. BACKGROUND

The State of Connecticut's Employees Retirement Commission (SERC) seeks to hire a qualified Accounting Firm (AF) to provide the necessary auditing functions required under the Governmental Accounting Standards Board (GASB) Statement No. 68 Compliance Audit for the State-sponsored Connecticut Municipal Employees Retirement System (CMERS). The selected AF will work with the CMERS actuary to provide both the schedule of employer allocations and the required testing of the census data. This will provide better control over the timing and quality of the census data testing. The GASB Statement 68 is effective for financial statements for fiscal years beginning after June 15, 2014.

II. STATEMENT OF OBJECTIVES

The purpose of this RFP is to obtain proposals to provide the necessary auditing functions required under the GASB Statement No. 68 Compliance Audit for the State-sponsored Connecticut Municipal Employees Retirement System (CMERS). A response is to be prepared based on the information contained in the Scope of Work Section of this document below. This contract will be for a two year period with the option to renew in one two- year period.

III. SCOPE OF WORK

The State of Connecticut's Employees Retirement Commission (SERC) seeks to hire a qualified Accounting Firm (AF) to provide the necessary auditing functions required under the "GASB Statement No. 68 Compliance Audit" for the State-sponsored Connecticut Municipal Employees Retirement System (CMERS).

As of the latest full actuarial valuation, prepared as of June 30, 2014, CMERS covered 8,477 active members whose annual compensation totaled \$485,744,690., 6,511 retired members and beneficiaries in receipt of annual benefits totaling \$122,738,934;and 1,007 deferred vested members with annual benefits totaling \$10,116,372. As of that date, there were 99 sponsoring employers.

The successful Accounting Firm will demonstrate its qualifications, including an in-depth knowledge of the provisions and requirements of GASB Statement No. 68, by its responses to the questions and issues presented in this request for proposal.

Responses should be submitted in the same format as the order of the questions and issues presented below.

BACKGROUND INFORMATION

Please provide a brief description of your firm including:

- Number of staff by professional or administrative status
- Number of governmental clients serviced
- Number of governmental clients for whom you provide GASB Statement No. 68 auditing services including the size of each client by retirement system membership

Please provide details relative to the specific staff who will be assigned to the CMERS audit for GASB Statement No. 68. Include a brief biography for each key individual.

SCOPE OF SERVICES

The basic services to be provided include an audit of the demographic and financial data which form the basis for the calculation results for accounting disclosure purposes. The data used by the actuary must be confirmed at their sources of origin, namely, the various individual sponsoring employers.

In this regard, GASB suggests an audit basis for the demographic data which includes:

- all sponsoring employers who employ 20% or more of the covered population;
- a rotating sample which includes 20% of those sponsoring employers who employ at least 5% but less than 20% of the covered population; and
- a rotating sample which includes 10% of those sponsoring employers employing 2% but less than 5% of the covered population.

Sponsoring employers whose covered population is less than 2% are considered immaterial to the results and are excluded from the audit. SERC would expect to follow this recommendation from GASB, but invites bidders to comment on this procedure and suggest alternatives, if appropriate.

Additionally, the Accounting Firm will confirm that the Schedule of the Employer Allocation is determined using a reasonable method acceptable under GASB Statement No. 68 provisions. In this regard, the Accounting Firm may need to opine on the assumptions underlying the allocation determination. Comments on this aspect of the audit including the degree of analysis required for the demographic assumptions will be useful in your response.

Please describe in detail how your Accounting Firm will approach each of the following aspects of the GASB Statement No. 68 audit for CMERS:

1. Undertake a review and risk assessment to guarantee that your firm understands the structure and nature of the CMERS, the data items needed to prepare the biennial actuarial valuations and the relevant GASB Statement No. 68 disclosure material.
2. Identify and confirm the CMERS internal controls for the collection, storage and reporting of census data and the CMERS financial information including the proper procedures for the collection and reporting of sponsoring employers and member contributions, as appropriate.
3. Identify the necessary demographic data and financial data for the GASB Statement No. 68 audit process. This will include detailed information on the members from each sponsor to be included in the audit.
4. Audit the data used by the actuary at the source, which will require visits to the sponsoring employers based on the selection process noted in the GASB material as outlined above. Please provide details of the process your firm will employ in completing the demographic audit.
5. Consult with the CMERS actuarial firm to gain an understanding of the allocation method being used, as well as the actuarial assumptions being employed. Ensure that this method and the actuarial assumptions are appropriate for CMERS and consistent with GASB Statement No. 68 guidelines. The Accounting Firm will audit the actual allocation to ensure that the allocation schedule is accurate and complete.

ESTIMATED COST

The audit will be performed biennially. Provide a fixed fee quote, broken down by each category of service, for the services described in the Scope of Services above. If the number of sponsoring employers required to be tested is greater or less than the number indicated in #4 above, the cost may need to be adjusted. Provide an estimate of such additional cost per sponsor.

IV. EXPECTED RESULTS

Preparation, submission and successful completion of audits for the State sponsored MERS, in accordance with the GASB Statement No. 68 Compliance Audit for the State Fiscal Years 2015 and 2017.

The Comptroller may then, at its option, ask Contractor to arrange for a temporary employee(s) or subcontractor(s) satisfactory to the Comptroller to provide the services otherwise performable by

Contractor hereunder. The Contractor will be responsible to the Comptroller for any economic detriment caused the Comptroller by such subcontract arrangement.

Contractor shall, if requested to do so by the Comptroller, reassign from the Comptroller's account any employee or authorized representatives whom the Comptroller, in its sole discretion, determines is incompetent, dishonest, or uncooperative. In requesting the reassignment of an employee under this paragraph, the Comptroller shall give ten (10) days notice to Contractor of the Comptroller's desire for such reassignment. Contractor will then have five (5) days to investigate the situation and attempt, if it so desires, to satisfy the Comptroller that the employee should not be reassigned; however, the Comptroller's decision in its sole discretion after such five (5) day period shall be final. Should the Comptroller still desire reassignment, then five days thereafter, or ten (10) days from the date of the notice of reassignment, the employee shall be reassigned from the Comptroller's account.

The Comptroller will give the Contractor at least twenty-four (24) hours notice of such intended examination. At the Comptroller's request, the Contractor shall provide the Comptroller with hard copies of or magnetic disk or tape containing any data or information in the possession or control of the Contractor which pertains to the Comptroller's business under this Agreement. The Contractor shall incorporate this paragraph verbatim into any Agreement it enters into with any subcontractor providing services under this Agreement.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on page 2):

Campaign Contribution and Solicitation Ban

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The state will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Guide for Current or Potential State Contractors

THE OFFICE OF STATE ETHICS (OSE)

The Connecticut Office of State Ethics (OSE) was officially created on July 1, 2005, by Public Act 05-183. The governing body of the OSE is the Citizen's Ethics Advisory Board (CEAB), nine members appointed by the Governor and legislative leadership. The CEAB holds monthly meetings that are open to the public and that are often covered by CT-N. A schedule of CEAB meeting dates, times and locations is available on the OSE's Web site, www.ct.gov/ethics.

The OSE is an independent watchdog agency for the state of Connecticut that administers Connecticut General Statutes, Chapter 10, Parts I and II, with limited jurisdiction over Part IV.

Simply put, the OSE educates all those covered by the law (the "regulated community"); provides information to the public; interprets and applies the codes of ethics; and investigates potential violations, and otherwise enforces the codes.

The OSE is made up of the following components:

- Citizen's Ethics Advisory Board
- Executive Director
- Legal Division
- Enforcement Division

THE BIG PICTURE

All state officials and employees (except judges) are covered by Part I of the Code of Ethics for Public Officials (henceforth, Part I, or the Code). It is important to remember that certain provisions of the Code also apply to public officials and state employees after they leave state service.

As you read through this guide, be aware that these laws were enacted to prevent individuals from using their public position or authority for personal, financial benefit.

Each state agency also has its own ethics policy, which in many cases may be more restrictive than what follows. Be sure to obtain a copy of the agency's policy before you attempt to provide any benefit to an agency official or employee.

Guide for Current or Potential State Contractors

GIVING BENEFITS TO STATE PERSONNEL

Gifts

As a current or potential state contractor, you are presumably doing business with or seeking to do business with a state agency, and are therefore considered to be a **restricted donor**. In general, public officials, state employees and candidates for public office may not accept gifts from restricted donors.

Restricted Donors

Restricted donors include:

- Registered lobbyists (a list is available on the OSE's Web site) or a lobbyist's representative;
- Individuals or groups doing business with a state department or agency;
- Individuals or groups seeking to do business with a state department or agency;
- Individuals or groups engaged in activities regulated by a state department or agency; or
- Contractors pre-qualified by the Connecticut Department of Administrative Services (Conn. Gen. Stat. § 4a-100).

A **gift** is defined as anything of value that is directly and personally received by a public official or state employee (or sometimes family members of those two categories) *unless* consideration of equal or greater value is provided. Conn. Gen. Stat. § 1-79 (e).

Gift Exceptions

There are, however, certain exceptions to this definition of gift. Not all exceptions are covered below; see Conn. Gen. Stat. § 1-79 (e) (1) – (17) for the complete list.

- *Token Items* – Restricted donors such as current or potential state contractors may provide any item of value that is not more than \$10 (such as a pen, mug, or inexpensive baseball cap) to a public official or state employee, provided that the annual aggregate of such items from a single source is \$50 or less. Conn. Gen. Stat. § 1-79 (e) (16).
- *Food and Beverage* – Restricted donors may also provide less than \$50 worth of food and beverage in a calendar year to a public official or state employee, provided that the restricted donor or his/her representative is in attendance when the food and/or beverage is being consumed. Conn. Gen. Stat. § 1-79 (e) (9).
- *Training* – Vendors may provide public officials and state employees with training for a product purchased by a state or quasi-public agency provided such training is offered to all customers of that vendor. Conn. Gen. Stat. § 1-79 (e) (17).

Guide for Current or Potential State Contractors

- *Gifts to the State* – Restricted donors may provide what are typically referred to as “gifts to the state.” These gifts are goods and services provided to a state agency or quasi-public agency for use on state or quasi-public agency property or that support an event, and which facilitate state or quasi-public action or functions. Conn. Gen. Stat. § 1-79 (e) (5).
- *Other Exceptions* – There are a total of 17 separate gift exceptions in the Code. Also exempt from the definition of gift are items such as informational materials germane to state action, ceremonial plaques or awards costing less than \$100, or promotional items, rebates or discounts also available to the general public. See Conn. Gen. Stat. § 1-79 (e) (1) – (17).

Note: The popularly-cited exception for major life events does not apply to those who are regulated by, doing business with or seeking to do business with a state agency. The only restricted donor that can make use of this very narrow exception is a registered lobbyist.

Gift Provisions

Example: You are in the process of submitting a contracting bid to a state agency. You provide the agency head with a gift certificate for \$45 to a popular West Hartford eatery for her to use on her own. You have not previously given anything of value to this individual. Even though you are under the permissible \$49.99 food and beverage limit, this gift is not allowed because you or your representative will not be in attendance while the food and beverage is being consumed.

Reporting Requirements

Should you or your representative give something of \$10 or more in value to a public official or state employee, you must, within **10 days**, give the gift recipient and the head of that individual’s department or agency a written report stating:

- Name of the donor;
- Description of item(s) given;
- Value of such item(s); and
- Total cumulative value of all items to date given to that recipient during the calendar year.

This helps both you and the state employee keep track of the gift exceptions noted above, so that permissible limits are not exceeded. Conn. Gen. Stat. § 1-84 (o). A courtesy form is available for this notification on the OSE’s Web site, in the “Forms” section.

Guide for Current or Potential State Contractors

Necessary Expenses

You may provide necessary expenses to a public official or state employee *only* if the official or employee, in his/her official capacity, is actively participating in an event by giving a speech or presentation, running a workshop, or having some other active involvement.

Necessary expenses are limited to:

- Travel (coach or economy class);
- Lodging (standard cost of room for the nights before, of, and immediately following the event);
- Meals; and
- Related conference expenses.

Conn. Gen. Stat. § 1-79 (9).

Entertainment costs (tickets to sporting events, golf outings, night clubs, etc.) are *not* necessary expenses. Necessary expense payments also *do not* include payment of expenses for family members or other guests.

Fees/Honorariums

Public officials and state employees may *not* accept fees or honorariums for an article, appearance, speech or participation at an event in their official capacity.

Fees or honorariums for such activities, if offered based solely on expertise and without any regard to official capacity, may be acceptable. Contact the OSE before offering such payment to an official or employee. Conn. Gen. Stat. § 1-84 (k).

Necessary Expenses, Fees and Honorariums

Example: You invite a state employee to travel to New York City to give a speech to your managers on issues surrounding contracting with a state agency. You provide Amtrak fare for the employee as well as his spouse, who will spend the day in the city. The evening of the speech, you will treat the employee and his spouse with complimentary tickets to a Broadway show in lieu of a speaking fee. You may provide coach class travel expenses only to the state employee who is actively participating in an event. In this case, you may only provide Amtrak fare for the employee giving the speech, not his spouse. Entertainment costs, such as tickets to a show, are not considered necessary expenses and may not be provided. Additionally, state employees may not accept fees or honorariums for a speech given in their official capacity.

Guide for Current or Potential State Contractors

HIRING STATE PERSONNEL

Post-state Employment (Revolving Door)

If you are considering hiring a *former* state employee, you should be aware of the Code's post-state employment, or revolving door, provisions.

Lifetime Bans

- Former state employees may **never** disclose any confidential information they learned during the course of their state service for anyone's financial gain. Conn. Gen. Stat. § 1-84a.
- A former state official or employee may **never** represent anyone other than the state regarding a particular matter in which he or she was personally or substantially involved while in state service and in which the state has a substantial interest. This prevents side switching. Conn. Gen. Stat. § 1-84b (a).

One-year Bans

- If you hire or otherwise engage the services of a former state official or employee, he or she may not represent you before his or her former agency for a period of **one year** after leaving state service. Conn. Gen. Stat. § 1-84b (b). (See Advisory Opinion 2003-3, which provides a limited exception to this provision if the employee is providing purely technical expertise to help implement a previously-awarded contract. This exception applies to extremely limited circumstances; contact the OSE for guidance.)
- You are prohibited from hiring a former state official or employee for a period of **one year** after he or she leaves state service if that individual was substantially involved in, or supervised, the negotiation or award of a contract (that you or your business was a party to) valued at \$50,000 or more, and the contract was signed within his or her last year of state service. Conn. Gen. Stat. § 1-84b (f).
- Employees who held certain specifically-designated positions (with significant decision-making or supervisory responsibility) at certain state regulatory agencies are prohibited from seeking or accepting employment with any business subject to regulation by the individual's agency within **one year** of leaving the agency. Likewise, such businesses may not hire those employees. Note that there is an exception for *ex-officio* board or commission members. Conn. Gen. Stat. § 1-84b (c).

Post-state Employment

Example: You run a hospital regulated by the Office of Health Care Access (OHCA). You would like to offer a job to the former Commissioner of OHCA, who has been out of state service for 5 months. Because the hospital is regulated by a state agency whose Commissioner is specifically designated in 1-84b (c), the former head of such agency would not be permitted to accept employment with you for one full year after leaving state service. See Advisory Opinion 2003-19.

Guide for Current or Potential State Contractors

Outside Employment for Current Public Officials and State Employees

If you are considering hiring a *current* state employee, especially from a state agency with which you do business or by which you are regulated, you should be aware of the following rules regarding the employment of current state employees.

- A current state employee may not accept outside employment that impairs his or her independence of judgment regarding his or her state duties, or that encourages him or her to disclose confidential information learned in his or her state job. Conn. Gen. Stat. § 1-84 (b).
- A current state employee may not use his or her state position for his or her own financial gain or the gain of his or her family (spouse, child, child's spouse, parent, brother or sister) or an associated business, however inadvertent that use may be. Conn. Gen. Stat. § 1-84 (c).

Other Considerations

Business entities engaged in Indian gaming activities in the state should be aware of specific provisions that apply to present or former Gaming Policy Board or Division of Special Revenue public officials or employees. See Conn. Gen. Stat. §§ 1-84b (d) and (e).

Outside Employment

Example: Your small business occasionally receives grants or contracts from Agency X. You know that a particular contract manager with Agency X has the skills you need to help you grow your business. This employee has expressed interest in earning a little extra money for himself, while helping you with your business in the evenings and on weekends. It would constitute an impermissible impairment of judgment for the employee of Agency X, who has contract management responsibilities, to accept outside employment with your business – a business that receives grants or contracts from Agency X.

Guide for Current or Potential State Contractors

OTHER PROVISIONS

Prohibited Activities for Consultants or Independent Contractors

If you are hired by the state as a consultant or independent contractor, you are prohibited from the following:

- Using your authority under the contract or any confidential information acquired during the course of the contract for your financial gain or the financial gain of your immediate family;
- Accepting another state contract that would impair your independence of judgment or your performance in your existing state contract; and
- Accepting anything of value based on the understanding that your actions on behalf of the state would be influenced.

Conn. Gen. Stat. § 1-86e (1) – (3); see also Conn. Gen. Stat. § 1-101nn.

Gift and/or Campaign Contribution Certifications

Contractors seeking large state contracts must provide certifications regarding gifts and/or campaign contributions made to certain state employees or public officials in the two-year period prior to the submission of a bid or proposal. Copies of these certifications and other updated information regarding state contractors can be found on the Web sites of the Department of Administrative Services (www.das.state.ct.us) and the Office of Policy and Management (www.opm.state.ct.us).

Investment Services and the Office of the Treasurer

If you or your business provides investment services, as defined in the Code, and you make a political contribution to the State Treasurer's campaign, you may be prohibited from contracting with the Office of the Treasurer. See Conn. Gen. Stat. § 1-84 (n).

Registering as a Lobbyist

If you or your business spends or receives over \$2,000 in a calendar year for activities that constitute lobbying under Part II of the Code of Ethics (whether to affect legislation or the actions of an administrative state agency), you/your business may have to register as a lobbyist with the Office of State Ethics. Lobbyist registration information is available at www.ct.gov/ethics.

Contribution Ban for Communicator Lobbyists (Conn. Gen. Stat. § 9-610 (g) and (h).)

Registered communicator lobbyists, their affiliated political action committees (PACs), as well as members of their immediate families are banned from soliciting or donating political campaign contributions. Please contact the State Elections Enforcement Commission at 860-256-2940 for more information.

Guide for Current or Potential State Contractors

Sessional Contribution Ban for Client Lobbyists (Conn. Gen. Stat. § 9-610 (e).)

Registered lobbyists and their affiliated political action committees (PACs) are banned from soliciting or donating political campaign contributions. Specifically, there is a temporary ban while the General Assembly is in session that applies to all registered client lobbyists and their affiliated PACs. Please contact the State Elections Enforcement Commission at 860-256-2940 for more information.
