OTHER CONDITIONS

A. Entire Agreement.

This Agreement embodies the entire agreement between the Comptroller and the Contractor on matters specifically addressed herein. The parties shall not be bound by or be liable for any statement, representation, promise, inducement or understanding of any kind or nature not set forth herein. This Agreement shall supersede all prior written agreements between the parties and their predecessors. No changes, amendments or modifications of any terms or conditions of the Agreement shall be valid unless reduced to writing and signed by both parties, and, where applicable, approved by the Office of the Attorney General. The Contractor's proposal response was used as determinative in the request for proposal process that resulted in this Agreement.

B. Independent Contractor.

Contractor represents that it is fully experienced and properly qualified to perform the services provided for herein, and that it is properly licensed, equipped, organized, and financed to perform such services. Contractor shall act as an independent Contractor in performing this Agreement, maintaining complete control over its employees and all its subcontractors. Contractor agrees to comply with Conn. Gen. Stat. §4d-32 regarding the award of subcontract awards. Contractor shall furnish fully qualified personnel to perform the services under this Agreement. Contractor shall perform all services in accordance with its methods, subject to compliance with this Agreement and all applicable laws and regulations. It is acknowledged that services rendered by the Contractor to the Comptroller hereunder do not in any way conflict with other contractual commitments with or by the Contractor. If applicable, Contractor shall deliver copies of any and all current license(s) and registration(s) relating to the services to be performed under this Agreement to the Comptroller, at the time of the execution of this Agreement, as evidence that such are in full force and effect.

C. Laws and Regulations.

The Agreement shall be deemed to have been made in the City of Hartford, State of Connecticut. Both Parties agree that it is fair and reasonable for the validity and construction of this Agreement that it shall be governed by, construed, and enforced in accordance with the laws and court decisions of the State of Connecticut without giving effect to its principles of conflicts of laws.

The Contractor agrees that the sole and exclusive means for the presentation of any claims against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.

To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

The Contractor shall provide written notice to the State of any litigation that relates to the services directly or indirectly financed under this Agreement or that has the potential to impair the ability of the Contractor to fulfill the terms and conditions of this Agreement, including but not limited to financial, legal or any other situation which may prevent the Contractor from meeting its obligations under the Agreement.

Contractor, its employees and representatives shall at all times comply with all applicable state and federal laws, regulations, ordinances, statutes, rules, regulations, and orders of governmental authorities, including those having jurisdiction over its registration and licensing to perform services under this Agreement.

D. Labor and Personnel.

At all times, Contractor shall utilize approved, qualified personnel and any Comptroller approved subcontractors necessary to perform the services under this Agreement. Both the Contractor and any and all subcontractors shall not perform any services under this contract outside of the United States. Should the Contractor or any subcontractors perform any cell center services to the state, such state business-

related call center and customer service work must be performed by state contractors or other agents or subcontractors entirely within this state, except that, if any such contractor, other agent or subcontractor performs work outside this state and adds customer service employees who will perform work pursuant to such new contracts or agreements, such new employees shall immediately be employed within this state, in compliance with Section 31-57aa of the Connecticut General Statutes.

Contractor shall advise the Comptroller promptly, in writing, of any labor dispute or anticipated labor dispute or other labor related occurrence known to Contractor involving Contractor's employees or subcontractors which may reasonably be expected to affect Contractor's performance of services under this Agreement. The Comptroller may then, at its option, ask Contractor to arrange for a temporary employee(s) or subcontractor(s) satisfactory to the Comptroller to provide the services otherwise performable by Contractor hereunder. The Contractor will be responsible to the Comptroller for any economic detriment caused the Comptroller by such subcontract arrangement.

Contractor shall, if requested to do so by the Comptroller, reassign from the Comptroller's account any employee or authorized representatives whom the Comptroller, in its sole discretion, determines is incompetent, dishonest, or uncooperative. In requesting the reassignment of an employee under this paragraph, the Comptroller shall give ten (10) days' notice to Contractor of the Comptroller's desire for such reassignment. Contractor will then have five (5) days to investigate the situation and attempt, if it so desires, to satisfy the Comptroller that the employee should not be reassigned; however, the Comptroller's decision in its sole discretion after such five (5) day period shall be final. Should the Comptroller still desire reassignment, then five days thereafter, or ten (10) days from the date of the notice of reassignment, the employee shall be reassigned from the Comptroller's account.

E. Conflicts, Errors, Omissions, and Discrepancies.

In case of conflicts, discrepancies, errors, or omissions among the various parts of this Agreement, any such matter shall be submitted immediately by Contractor to the Comptroller for clarification. The Comptroller shall issue such clarification within a reasonable period of time. Any services affected by such conflicts, discrepancies, errors, or omissions which are performed by Contractor prior to clarification by the Comptroller shall be at Contractor's risk.

F. Liability and Indemnity

1. Contractor's entire liability for any and all claims in any manner related to the Agreement will be the payment of direct damages with respect to the Services or Deliverables involved under this Agreement. Except for the specific remedies expressly identified as such in this Agreement, the State's exclusive remedy for any claim arising out of this Agreement will be for Contractor, upon receipt of written notice, to use commercially reasonable efforts to cure the breach at its expense, or failing that, to return the fees paid to Contractor for the Services or Deliverables related to the breach.
2. The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Agreement, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Agents, as defined below; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Agreement. The Contractor shall use Contractor reasonably acceptable to the State in carrying out its obligations under this Section. The Contractor's obligations under this Section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the proposal or any Records, any intellectual property

rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions or articles furnished or used in the performance of the Agreement.

3. The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any Contractor Agents. The State shall give the Contractor reasonable notice of any such Claims.
4. The Contractor's duties under this Section shall remain fully in effect and binding in accordance with the terms and conditions of the Agreement, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.
5. The rights provided in this Section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.
6. This section shall survive the Termination, Cancellation or Expiration of the Agreement, and shall not be limited by reason of any insurance coverage.
7. The term "Claims" means all actions, suits, claims, demands, investigations and proceedings of any kind, open, pending or threatened, whether mature, unmatured, contingent, known or unknown, at law or in equity, in any forum.
8. The term "Contractor Agents" means the Contractor's members, directors, officers, shareholders, partners, managers, principal officers, representatives, agents, servants, consultants, employees or any one of them or any other person or entity with whom the Contractor is in privity of oral or written contract and the Contractor intends for such other person or entity to perform under the Agreement in any capacity.
9. The term "Records" means all working papers and such other information and materials as may have been accumulated by the Contractor or Contractor Agents in performing the Agreement, including but not limited to, documents, data, plans, books, computations, drawings, specifications, notes, reports, records, estimates, summaries and correspondence, kept or stored in any form.
10. The Contractor shall not use, raise, or plead the defense of sovereign or governmental immunity in the adjustment or settlement of any Claims against the Contractor arising out of the work performed under this Agreement, or as a defense in any Claims, unless specifically authorized to do so in writing by the Attorney General or the AG's designee.

G. Nondisclosure.

Contractor shall not release any information concerning the services provided pursuant to the Agreement or any part thereof to any member of the public, press, business entity or any official body unless prior written consent is obtained from the Comptroller.

H. Quality Surveillance, Examination of Records, Audits and Continuity of Services.

All services performed by Contractor shall be subject to the inspection and approval of the Comptroller at all times, and Contractor shall furnish all information concerning the services.

The Comptroller or its representatives shall have the right at reasonable hours to examine any books, records, and other documents of Contractor or its subcontractors pertaining to work performed under this Agreement and shall allow such representatives free access to any and all such books and records. The Comptroller will give the Contractor at least twenty-four (24) hours' notice of such intended examination. At the Comptroller's request, the Contractor shall provide the Comptroller with hard copies of or magnetic disk or tape containing any data or information in the possession or control of the Contractor which pertains to the Comptroller's business under this Agreement. The Contractor shall incorporate this

paragraph verbatim into any Agreement it enters into with any subcontractor providing services under this Agreement.

The Contractor shall retain and maintain accurate records and documents relating to performance of services under this Agreement for a minimum of three (3) years after the final payment by the Comptroller and shall make them available for inspection and audit by the Comptroller.

Gen. Stat. §4d-44. Such business approved plans shall cover the facilities, systems, applications and employees that are critical to the provision of the Services and specify recovery time and recovery point objectives. Contractor will regularly review such plans and at least once per year will conduct independent third-party testing of same, attestations of which will be provided to the Comptroller upon request.
