• Flu shots available in every store, every day*
• Take your prescription card and valid photo ID
• No copay**, no cost to you

Visit Caremark.com to find a vaccine pharmacy in your network.

*Flu shots and vaccines are available when an immunizing pharmacist is on duty, while supplies last. Most vaccines require a prescription (except for the flu shot).
**Copayment, copay or coinsurance means the amount a member is required to pay for a health care service in accordance with a Plan, which may be a deductible, a percentage of the price, a fixed amount or other charge, with the balance, if any, paid by a Plan.
Your privacy is important to us. CVS Caremark employees are trained regarding the appropriate way to handle your private health information.
