**COMPTROLLER LEMBO'S STATEMENT ON U.S. SUPREME  
COURT RULING ON SAME-SEX MARRIAGE**

“What has been apparent to so many for so long has now been affirmed by the court: the premise that all people are equal and share the same rights and responsibilities.

“This decision provides me with personal relief that – no matter where I travel across this great nation of ours – my marriage will be recognized.

“This victory follows years of determination, effort and countless hours of legal work. I'm grateful for those whose shoulders we stand on today. This is the just and right decision.”
