

Option C - 10 or 20 YEARS PERIOD CERTAIN

PART I - GENERAL INFORMATION AND INSTRUCTIONS - PLEASE READ CAREFULLY

Option C - 10 Year or 20 Year Period Certain. This option provides a reduced monthly benefit to you for your lifetime with payments guaranteed from your retirement date for 10 or 20 years (whichever you choose) to your contingent annuitant. If you should die within 10 years (120 payments) or 20 years (240 payments) from your date of retirement, the remaining payments will be made to your contingent annuitant(s). Because this is a period certain option, if your annuitant dies before you, you may choose a new designated annuitant if you provide the Retirement Services Division with a certified copy of the death certificate. If you die before your annuitant and your annuitant dies before the expiration of the selected period, the commuted value of the remaining guaranteed payments shall be paid in one lump sum to the annuitant's estate. **Your benefit payment option cannot be changed after retirement for any reason.** If you have been married for at least one year prior to the commencement of your retirement benefits, a spouse waiver of survivor benefits (Form CO-1047) will be required if you do not provide a lifetime benefit (50% or 100% option) for that spouse. Thus, if you are married for at least one year prior to retirement, you cannot elect Option C unless your spouse executes Form CO-1047. Regardless of your option choice or marital status, you must submit proof and/or attest to your marital status within one year prior to the date your retirement benefits are to commence.

Print or type this form in quadruplicate (4 copies) and give to your agency. Have your agency keep one copy and forward the original and one copy with your retirement application to the Retirement Services Division, 55 Elm Street, Hartford, CT 06106. A copy of an executed CO-1047 must accompany this election form. Keep one copy of all documents for your records.
